

PARALYMPIC SPORT DEVELOPMENT FUND APPLICATION

GENERAL INSTRUCTIONS

Before Completing Your Application:

1. Read through the Paralympic Sport Development Fund Guidelines available at: <http://paralympic.ca/funding> and ensure your organization meets the basic eligibility requirements.

When you are ready to apply:

Please read each question carefully and answer completely. There are four main sections to complete as well as required documents to provide:

1. Part A: Organizational Information should be filled out with details pertinent to your organization or club.
2. Part B: Project Information should be filled out with details about the specific program or initiative that will use the funding.
3. Part C: Financial Information should include both funding allocated from CPC as well as organizational or external sources (if applicable). You are required to distinguish how CPC funding will be used.
4. Part D: The application main contact should complete the application checklist and sign on behalf of the organization.
5. Prepare your organization's financial statement summary from the most recently completed operational year, or a letter of endorsement from your organization's financial representative.

When you are ready to submit your application:

6. Upload the completed application, along with financial statements and other supporting documents if applicable (yearly training plans and/or athlete rankings) to the online form available at <http://paralympic.ca/funding>. Please ensure all documentation is complete before submitting the online form.

PART A: ORGANIZATIONAL INFORMATION

1. Organization Name:
2. Eligibility of Organization:
3. Parasports offered by your organization (List all that apply for both summer and winter sports).
4. What is your organization's mandate and mission? Provide 1-2 sentences from an existing organizational constitution, or a brief description of why your organization exists:

5. Describe your organization's typical activities including operational activities, programs and resources. When describing your activities, please make specific mention of the organizations you regularly partner with.

Note: You can include activities for both para- and able-bodied athlete programming, but be sure to distinguish which is which.

6. Who participates in your organization's activities or programs? Please describe your membership. Provide an approximate breakdown of membership by: age, role (athlete, coach, sport assistant etc.), impairment type (visual/sensory, physical or intellectual), level of training/competition, etc. If you are applying for funding for an individual athlete or training group, you will be asked for more details on their training plan later in the application.

Note: You may include members for both para- and able-bodied members, but be sure to distinguish which is which. Be honest about your numbers: The Review Team has a strong understanding of the Paraspport environment and understands that low numbers do not necessarily reflect the strength or quality of the program.

7. As noted in the Funding guidelines, your project must link to your sport's provincial and/or national governing body to ensure alignment and sustainability. Please provide the name of your contact at your PSO and/or NSO:
